

JOIN US AT THE ERICSSON ROADSHOW

Transformative solutions to enable growth in the Networked Society

Ericsson is a world leader in communications technology and services. Our software, infrastructure and services – especially in mobility, broadband and the cloud – are enabling the telecom industry and other sectors to do better business, increase efficiency, improve the user experience and capture new opportunities. With approximately 115,000 professionals and customers in 180 countries, we combine global scale with technology and services leadership.

Come and see our experts present the solutions that are transforming and growing people, business and society. We will share new technology and market trends and we'll demonstrate the latest innovations such as 5G and IT transformation.

Looking forward to seeing you at our roadshow!

**Best Regards,
Ericsson team**
